CONTENTS

WHO ARE INVENTRY

InVentry is a pioneer of sign in and visitor management systems and is trusted by over 8,000 schools across the UK. Our system transforms the efficiency of entry into your school and provides secure digital data on every entry or exit; giving you maximum traceability for staff, contractors and visitors. Our products are continuously developed in-house and provide a smart solution to site security and tracking - as well as offering schools an extra sense of security for the safeguarding of pupils.

SIGN IN FOR PRIMARY SCHOOLS

The InVentry system is designed with both GDPR and safeguarding in mind. Our sign in software, applications and equipment have been developed to be the most reliable of their kind.

ONE FULLY MANAGED SOLUTION

We provide a fully managed solution, from software to purpose built hardware and technical support - we have you covered.

SECURE

Know who is on-site at any given time.

ADVANCED

Cutting edge software designed so anyone can use it.

PROFESSIONAL

Create the right impression first time, every time.

TRUSTED

With a 99.7% customer retention rate you can be sure we won't let you down.

RECEPTION

WHY CHOOSE INVENTRY

DBS & SAFEGUARDING MODULE
InVentry acts as a single central record for all DBS checks. By using InVentry for your DBS checks you can ensure the safeguarding of all your students and immediately comply with Ofsted requirements.

VISITOR PASS SYSTEM
Multiple badge options for visitors, including thermal and colour passes.

20" TOUCH SCREEN MONITOR
Integrated webcam, customisable front screen and widgets.

SWIPE OPTIONS
Fully customisable ID badges for staff. Swipe technology available includes; Paxton, MiFare, HID, UPC, barcode, QR code and biometrics.

MULTIPLE ENTRY POINTS
For sites with more than one staff entrance point, our Quickscan Touches will synchronise with your central database.

EMAIL STAFF NOTIFICATION
Notify staff when a visitor has arrived by email and/or SMS text message.

LANGUAGES
Automated translation to any world language and custom questions are automatically translated without user interaction.

EVENTS MANAGEMENT
Ability to pre-book visitors into school events, such as parents' evening or meetings. Customisable email invitations can be created in the invitation builder.

MULTI ACADEMY TRUST
Allows 'Trust' employees to travel across multiple sites using the same ID. Trust-wide reporting allows the generation of personnel reports across multiple trusted sites.

FULL INSTALLATION SERVICE
InVentry's certified technicians will install the system, and configure the InVentry software to suit your requirements. Staff members will also be provided with a complete training session.

INTEGRATE WITH YOUR MIS

InVentry is in close partnership, and directly integrates with, your school's Management Information System (MIS), allowing late attendances and early leavers to be added to your MIS in one click. Any doctor's appointments or reasons for leaving are recorded, leaving you with full transparency of who is on-site giving you accurate evacuation records.

MULTI ACADEMY TRUSTS (MATS)

Whether your school is part of a Trust or a multi-site nursery & primary school, InVentry gives you the flexibility to manage site access through one comprehensive solution.

Staff roam between sites by flowing information between individual systems.

Staff are automatically signed out from an individual system when they sign into a new one at a different location.

Share personnel records across sites so contractors can be approved at a trust-wide level for all sites.

OUTLOOK AND EMAIL INTEGRATION

InVentry now integrates with Outlook, Gmail and other email providers meaning appointments and meetings are added straight into your inbox.

Events and pre-booked visitors added to Outlook and Email Calendars.

Send pre-booked visitor invitations straight to their inbox.

Outlook   Google

DOOR ACCESS INTEGRATION AND INSTALLATION

The most comprehensive sign in and door access integration. Trigger door releases via an InVentry card reader, and sign into InVentry via your access control reader - all from just a single swipe!

ACCESS INVITATIONS

Allow pre-booked visitors to open entrance barriers and doors through just a simple invitation click.

Provide a custom time restriction on each invitation - whether it's multiple hours or multiple days, you're in control.

Paxton   TDSi   SALTO inspiredaccess
ALMAS INDUSTRIES   MIFARE   HID

PUPIL MODE

InVentry offers a full integration meaning you can automatically add class lists from your MIS, ensuring time-consuming manual updates are not required.

Group tracking module for quick sign in/out groups of pupils for school trips.

Ability to record parent/guardian who has collected the child.

RFID CARDS

Give staff and personnel their very own ID card and allow contactless entry across your school.

Quick and simple sign in process by simply swiping a card on your InVentry screen or Quickscan unit.

MULTIPLE ENTRANCE POINTS

Allow for quick and easy staff sign in from multiple entry points around your school with our Quickscan units.

Quickscan units can be mounted almost anywhere on your site and at multiple locations.

Customise your Quickscan unit to enable your staff to select a reason for signing in or out of the building.

PERSONALISED SCREENS

Customise your InVentry system to coincide with the look and feel of your branding.

Get a personalised screen, including your brand colours and logo.

Include your own declarations on screen when a visitor signs in.

NEW FEATURES

We're always developing new ways to improve our products and ensure our customer experience is second to none. By introducing new features, we ensure that schools have the best version of InVentry they need to succeed.

WE INTEGRATE WITH   slack   Microsoft Teams
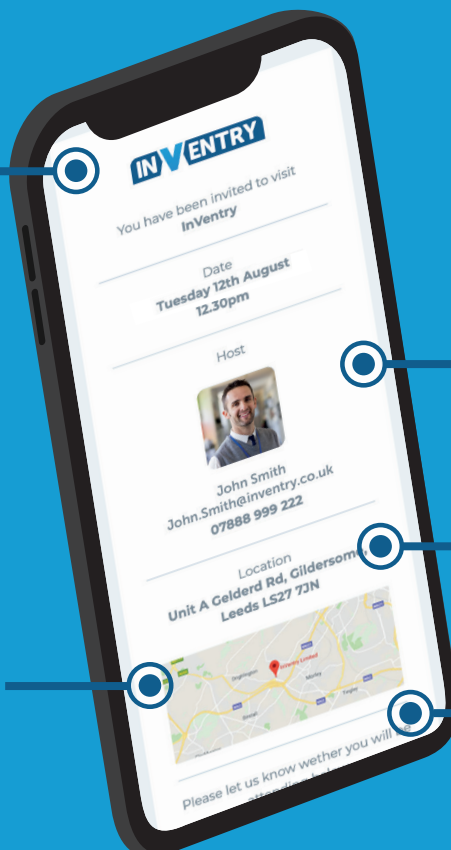

EVAC REPORTS

Once an evacuation has ended, receive reports of who was accounted for - sent straight to your inbox.

See the amount of time it took for an evacuation to take place, giving you the chance to improve your evacuation plan.

HEALTH FEATURES

Our latest health features have been developed to ensure your school can continue to operate safely whilst creating a secure environment for pupils, staff, and visitors.

HEALTH DECLARATIONS

Send health declarations to staff and visitors each morning.

Those who declare that they're displaying symptoms will be unable to sign in or enter the building.

HOST READY NOTIFICATIONS

Manage the number of visitors in your reception by only allowing visitors to enter the building when it is safe to do so.

Hosts can let visitors know when they are ready for them - all at the click of a button.

CAPACITY MANAGEMENT

Control the footfall in your building to avoid overcrowding by setting capacity levels.

Receive email notifications when capacity levels have been breached.

WHITE PAPER

Our White Paper includes guidance around reducing contact within your school, contact tracing and capacity management.

INVENTRY ANYWHERE
APP

With the Anywhere App, you can use InVentry on the go. Quick, simple and easy to use!

Trigger evacuations and send an alert notification to staff via the app.

Allow staff to sign in remotely.

Sign in and out on the go via your device

Pre-book visitors and send a QR code to scan upon arrival.

Easily see which staff are signed in at the press of a button.

Scan QR code ID badges and cards for staff and visitors during an evacuation.

TRIP
MANAGEMENT

Organise field trips and residentials with peace of mind that pupil information is securely stored at the palm of your hand with the InVentry Anywhere App.

Access parent, dietary and medical information for each pupil quickly and easily during school trips.

Take registers from your phone of all pupils attending the trip, removing the need for pen and paper.

CLUBREG CLOUD

With ClubReg Cloud, outdated paper registrations can now be a thing of the past! Provide staff leading extra curricular activities with a digital registration system that links to the rest of the school.

CLASSMARK CLOUD

ClassMark Cloud is an easy to use system that allows your teaching staff to access school registers on any device - they'll never be without the key information they require to ensure all students are present and correct.

"The risk of COVID-19 infection by touching pens and sign-in books has been removed by having an InVentry system that offers contactless sign in for staff and visitors. It's also saved us heaps of time! Before InVentry, our receptionist would be tied up signing a visitor in for around 2-3 minutes per person. Now, all they have to do is direct the visitor to the sign-in screen!"

Steve Thompson - Ossett Academy

"It works really well – students that arrive late or leave early use InVentry to sign in or out and everything is automated back to iSAMS. If a bus is running late because of traffic we can have 50-60 students who need to be signed in. This was a huge undertaking previously, but it's now completed in minutes. Having late marks integrated with iSAMS has saved our admin staff over an hour per day doing data entry."

Ben Whitaker, Bury Grammar School

"InVentry has improved the school visitor management system, and also provides accurate details of adults in school for fire emergency. It's easy to use and manage. Their support team is helpful and resolve problems very quickly, making our lives easy at the office."

Klare Ng – Immanuel & St Andrew CE Primary School
